Dear Megtha Madam,

Greetings Jyothi Engineering College!!!

Thank you very much for you e-mail. We can definitely take this forward. Since you are looking for a participation of around 100 eligible students, I will arrange for a pooled drive and can assure the participation count above 100. We can conduct the drive on a mutually convenient date in January itself. To finalise the date, I will give you a call.

It will be great if you could give me some more insights regarding the 1)Company profile 2)Job description/job profile, 3)Recruitment process (different rounds)

Dear Mr Sannith Shetty

Thank you very much for considering the recommendation of our alumni Mr. Ramakrishnan to have Campus Connect program by Manhattan Associates with Jyothi Engg. College. You might have got the details of our college from Mr. Ramakrishnan.. Considering his recommendation itself is a recognition not only for him but also for our college and students.

About Jyothi Engg. College

Started in 2002, by the catholic arch diocese of Trichur, in a healthy green environment at Chruthuruthy, Jyothi Engg. college made remarkable progress in this short period. From 4 branches of BTech with 240 intake in 2002, we now have 6 branches of BTech with 480 intake. We also have 5 MTech programs. Some of our faculty members are registered guides for doctoral programs. We have started an advanced Research Center and started regular PhD programs. Jyothi Engg. College is accredited by both NAAC and NBA.

Placement Scenario

We have achieved good record in the placement side. Most major IT companies used to visit our campus for drive. Some others include us in their pool drives in other colleges too. We also organise pool drives for some major companies. We already have Campus Connect Programs with a few organisations including Infosys, Wipro and UST Global. We also take feedback on the performance of our alumni and by and large we receive good reports on them. We look forward to associate with the prestigious Manhattan Associates in all possible ways.

Mr. Bibin, our PAT officer will contact you in a day or two. He is out of station and will be back on Monday. I plan to go to UK by the end of this month. So we also like to speed up the matter. Mr. Bibin and you may fix up an early date for direct

discussion. If the meeting is in our college, you get a chance to assess our college. Even if it is in Bangalore I will try to make it myself somehow.

Expecting an early reply

At the time of reporting for orientation programme, you will have to submit the following papers/certificates/documents:

- a. Originals of SSC/SSLC/Matriculation Book/Certificate and final certificates of Graduation (Qualifying Examination). These certificates (Secondary Marklist, Secondary Passing Certificate and Graduation Certificate) will be kept under the custody of the Bank and will be released to the candidate on completion of 2 years of service in the Bank.
- a. Originals of all the documents, certificates and marklists of all semester/yearly examinations evidencing date of birth and academic/professional qualification with three sets of self-attested copies. In case the result of any of the previous semesters/years or final semester/year examination is not published at the time of joining the Bank, a certificate to the effect that you had completed the course study and attended all the semester examinations is to be produced from the College/University at the time of joining the Bank.
- b. Statement about your medical history and a certificate of fitness for employment in the Bank, from a Doctor not below the rank of Civil Surgeon/Chief Medical Officer of a Government Hospital, in the format attached. Medical certificate from Private Hospitals will not be accepted. You are required to produce all the medical reports, lab reports, ECG etc. along with medical fitness certificate.
- c. Satisfactory discharge certificate and experience certificate from the previous employer/s, if any.
- d. A certificate about your character/conduct issued recently by the Principal of the College/Institute last attended by you. Alternatively, two character certificates recently issued by Gazetted Officers/respected persons.
- e. A declaration of fidelity & secrecy, a declaration of place of domicile and a statement of assets and liabilities, as per the enclosed formats.
- f. One copy of your latest passport size photograph.
- g. One copy of this Order duly signed by you for having accepted the terms and conditions specified herein.
- h. Originals and self attested copies of any two of (i) PAN Card (ii) Voter's ID (iii) Aadhar Card (iv) Passport and (v) Driving License along with Background verification form (attached).

It shall be distinctly understood that this offer of appointment is subject to your medical fitness for employment in the Bank, satisfactory background check and submission of the certificates/documents as stipulated above, to the satisfaction of the Bank. The medical reports/fitness certificate submitted by you are liable to be re-examined/scrutinized by Bank's Doctor and your appointment in the Bank will be subject to your medical fitness for employment in the Bank as assessed by the Bank's Doctor. You are required to undergo physical medical examination by Bank's Doctor, in case the Doctor insists for a detailed medical

examination, after analysing the medical reports submitted by you. At any stage, if you are found not satisfying the eligibility norms, your candidature is liable to be cancelled without notice. Also be understood that any misrepresentation/hiding of facts in the application/personal data/any other documents/certificates is sufficient cause for termination of your service, without notice and compensation.

The offer of appointment is subject to your fulfillment of eligibility criteria stipulated by the Bank for being appointed in the Bank as Probationary Clerk under campus recruitment. You are required to submit originals & copies of the marklists/certificates of all the previous years/semesters examinations at the time of joining the Bank proving that you had passed all the previous year/semester examinations at the time of campus interview and all the papers pertaining to the subsequent semester(s) should be cleared along with the result of the final years/semesters examination (final year/semester examination should be cleared in the first chance itself). In case the result of any of the semester examinations/final examination is published after the campus interview, but prior to joining the Bank, you are required to submit all the semester marklists, certificates, provisional certificate etc of such examinations at the time of joining the Bank in proof of having passed the examinations with required percentage of marks along with the result of the final year/semester examination failing which, you will not be permitted to join the Bank. In case the result of any of the previous semesters/years or final semester/year examination is not published at the time of joining the Bank, a certificate to the effect that you had completed the course study and attended all the semester examinations is to be produced from the College/University at the time of joining the Bank.

In your case, the minimum eligibility criteria in respect of educational qualification for being appointed in the Bank as Clerk through campus recruitment is a graduation with 60% marks. Also you should have passed SSC or equivalent exam and plus 2 or equivalent exam with 60% marks. In case the result of final year/semester examination is not published you will have to submit the certificates and marklists in proof of having passed the final year/semester examination with required percentage of marks in the first attempt itself within a maximum period of 5 months from the date of joining the Bank in conformity with the minimum

eligibility criteria in respect of educational qualification as stipulated by the Bank, failing which you are liable to be removed from the services of the Bank without any notice or communication, treating the appointment as cancelled. However, in case of willful default in submission of certificates/ marklists within the above stipulated period, even after publication of result of the qualifying examination, your service is liable to be terminated and you are liable to remit the compensation amount / notice pay.

Other Benefits

You will be required to enroll yourself as a member of The Federal Bank Employees' (Award Staff) Medical Welfare Fund from the date of joining the Bank and deduction to the Fund at applicable rate will be made from your salary, as per the rules prevailing in the Bank at present and as amended, altered or added from time to time.

You will be covered under "Defined Contributory" Pension Scheme as applicable to the Bank employees in line with the National Pension System.

You shall contribute to the Welfare Scheme (Diya) to support the family of deceased employees of the Bank, from the date of joining the Bank and contributions to the Scheme at applicable rate will be made from your salary, as per the rules prevailing in the Bank at present and as duly amended, altered or added from time to time.

On confirmation in Bank's service, you will be required to enroll yourself as a member of the Group Term Assurance Plan. The eligibility for enrollment in the Scheme will be subject to the terms, conditions, exceptions etc. as applicable under Group Term Assurance Plan at that time and as amended, altered or added from time to time.

Resignation/ Termination

If you are desirous of resigning from the service during the period of probation, you should give fourteen days' notice in writing to the Bank or you would be liable to pay to the Bank fourteen days' pay and allowances in lieu of notice. In addition to this, you should pay a compensation amount of ₹ 30,000/- to the Bank.

If you are desirous of resigning from the service after confirmation in the service of the Bank, you should give one month's notice in writing to the Bank or you would be liable to pay to the Bank one month's pay and allowances in lieu of notice. If such resignation is within a period of 2 years of joining the Bank, you should pay a compensation amount of ₹ 30,000/- to the Bank, in addition to the notice pay/ notice period.

You are also required to pay the compensation of ₹ 30,000/- and applicable notice pay as stated above to the Bank, if you ceased to be in the service of the Bank consequent to termination of service within 2 years of date of joining the Bank. You are required to execute an agreement in stamp paper (which will be made available by the Bank) at the time of joining for the orientation programme agreeing to the above terms and conditions of the appointment in respect of compensation/notice pay etc.

The compensation amount of ₹ 30,000/- mentioned above is the fair value of the minimum loss that will be incurred by the Bank if an employee quits the Bank before the stipulated minimum period of service.

General

On confirmation in Bank's service, you will be entitled to all the privileges enjoyed by and shall be subject to all the liabilities cast upon other permanent members of Clerical Staff, subject to the changes/amendments made from time to time.

You are liable to be transferred during the period of probation and also thereafter, as found expedient by the Bank at any time to any of the existing Branches/Offices in India or abroad or Subsidiaries or to the new Branches/Offices/Subsidiaries of the Bank to be opened in future. You are advised to adhere to the acceptable levels of decorum at workplace (right from the induction period) by way of presentable attire [business casual, smart casual, business attire] and professional etiquettes representing the image and reputation of the Bank.

You will be eligible for actual travelling expenses (subject to a maximum of 02nd AC Train Fare) from your place of domicile to FKDC and also from FKDC to the place of posting.

Dear Prof. Bibin,

Greetings from Infosys.

As you are already aware, we have successfully completed the second round of HackWithInfy 2019. Total 109 participants have qualified for the Grand Finale. All the finalists have also won a pre-placement interview opportunity for the role of a Power Programmer at Infosys.

While these 109 finalists have emerged as the top coders of the competition, there were some other participants who have performed exceptionally in Round 2. We believe these top participants have the skills required to join us at niche technical entry-level roles. Therefore, we are happy to announce that selected top participants from Round 2 of HackWithInfy have won a pre-placement interview opportunity for following roles at Infosys:

- 1. Role of a Power Programmer:** Power Programmers are programming 'polyglots' who are experts across multiple technologies and play the role of a full stack developer in complex engineering projects at Infosys.
- 2. Role of a System Engineer Specialist:** It is a niche technical role at Infosys that entails working with cutting-edge technologies and a constant focus on helping our clients navigate to the next in their digital transformation journey.

Please find below the list of student(s) from your institute who have won a pre-placement interview opportunity for one of these two roles through Round 2 of HackWithInfy 2019. We hope the selected student(s) will make the most of this opportunity.

Dear Sonu Sir,

Greetings From Jyothi Engineering College!!!

Thank you very much for the great news....

I was out of station for couple of days since my father was hospitalised.

I have spoken to the candidate and his acceptance of the offer is confirmed. This candidate will not be attending anymore campus/off campus recruitment processes for the 2020 batch.

Also, very glad to let you know that this is the first confirmed offer for JYOTHI from the 2020 passing out batch. We are confident that this offer will definitely be a motivator for our placement activities this year and also will boost the participation of our students in hackathons and project/idea pitching competitions (which in fact is not up to the mark) coming up in the future.

Once again thanking INFOSYS for the great initiative to offer helping hand for the bright minds across the country, especially from the non accredited colleges.

Dear Student,

Greetings From PAT Office !!!

As you know Infosys pooled campus recruitment (organised by KTU) for the registered candidates will be held at St. GITS kottayam on 28th(test) and 29th (Face to face) February 2020. As per our information all the eligible students from JYOTHI have received an e-mail from Infy stating their test date as 28th Feb and Reporting Time as 7.45 AM. Kindly make a note of the following and fill up the link given below before 1.00 PM tomorrow (Tuesday 25th Feb.2020) only if applicable to you.

1. Infosys recruitment is only for the students who have previously registered and have received a confirmation e-mail directly from the ID **graduates@infosys.com**. If you have registered and have not received the e-mail still, please search your inbox and spam with the above e-mail ID
2. Infosys does not have GD in their recruitment process. Those who clear the test will directly move to personal interview on the next day.
3. Unlike other companies, Infosys does not conduct drives after passout. So, for the 2020 batch, this will be the last chance to apply for Infosys as freshers.
4. We are aware that there is B.Tech Honours exam scheduled on 29th. Since this drive is also coordinated by KTU, many colleges including ours, have sent request to KTU to reschedule Honours exam and there are all possibilities for a positive response.
5. transportation : since the reporting time at St. GITS is at 7.45 on 28th, The college bus should leave the campus at least at **3.30 AM** and from Thrissur by 4.05 to 4.10 AM

Please fill up the below link only if you satisfy all the three criteria given below,

- You have received confirmation e-mail from graduates@infosys.com
- You are **sure** that you want to participate in the drive.
- You require college bus facility to reach the venue.

Many students are opting to travel by Kanyakumari express from Thrissur at 2.45 AM which reaches kottayam at 6.30 AM (St. GITS is hardly 30mins away from kottayam railway station). If you are planning to go by train, **please do not fill the following link.**

The students who fails to participate after confirming the college bus requirement will not be allowed to participate in any of the future requirements organised by PAT.

Link of transportation request (to be filled before 1.00 PM Tuesday 25th Feb.2020)

<https://forms.gle/De6mG4242ZprvAro6>

The list of students applied is attached once again for your reference. We are not sure whether all of them in the list have received e-mails from Infosys.

Please do not hesitate to contact PAT Office, if you have any queries or need further information.

Dear Prof. Bibin,

Greetings from Infosys!

Hope you and the members of your institute are doing well.

This is to inform you that Round 2 of #HackWithInfy will be conducted on Sunday, May 31, 2020. A detailed email containing all the necessary information will be sent to every qualified participant. Round 2 will witness the top 6% participants of #HackWithInfy 2020 compete against each other. Participants who clear this round will make it to the Grand Finale and become one of the top coders in the country.

Please note: All participants will receive two emails – one from HackerEarth containing the test link and other from hackwithinfy@infosys.com containing the instructions for Round 2. Please ensure each Round 2 qualified student from your college has received both emails by May 20. If a qualified student does not receive the emails, or if the student is unable to access the participation link, please inform the regional recruiter immediately with student's registration details.

Round 2 is an individual web proctored online test. Below are the instructions and rules for participants to appear in this round.

Please share these with your students and ensure that they adhere to all the rules for Round 2.

Instructions for Round 2

- It is an individual online test of 3 hours i.e. 180 minutes. If test is started at 10 AM, it will have to complete by 1 PM
- Participants will have to take the test using the test access link at the time allotted to them in the mail by HackerEarth
- Each participant must follow the **rules and guidelines shared in the document attached to this mail**. Any participant who fails to adhere to these rules and guidelines will be disqualified from the competition
- Should the participants face any platform issues during the challenge, they may call on HackerEarth helpline 1800-102-1504 or write to us at infy-support@hackerearth.com
- Participants can get familiar with the test environment and check their system compatibility to appear in Round 2 through this practice test.

Respected Sir,

Greetings from Tata Consultancy Services !

As briefed earlier, our TCS National Qualifier Test (TNQT) for the batch of 2020 has the online test dates on **August 3rd and 4th**.

Below is the list of 188 students registered from Jyothi engineering college as on date.

Please note that the registration dates have been extended to July 24th. Kindly do ensure maximum participation of your eligible students as this stands a golden chance for the students to lay a solid foundation for an IT career with the Global Leader.

If required, we would also be happy to come to your college in person, to give a detailed orientation on the prospects and opportunities, before the registration deadline.

Dear Mr. C. V. Antony

Greetings from IPE !!!

Institute of Public Enterprise (IPE), a premier B-School in India is glad to introduce the well trained students to meet the talent requirements of your esteemed organization. The Institute has **opened its recruitment process for Class of 2019**. Please find here under few details about our Institute in this regard.

About IPE

The Institute has been set up in 1964, by Shri S S Khera, the then Cabinet Secretary Govt. of India. The Institute of Public Enterprise (IPE) is a non-profit educational society sponsored by the Government of Telangana and the Indian Council of Social Science Research, MHRD, Govt. of India and is engaged in Research, Consultancy, Training, and Education in the field of Management since 1964 for Public Sector Enterprises. As per National Institutional Ranking Framework (NIRF) rankings announced by the Ministry of HRD, Govt. of India, IPE has been ranked No.1 amongst the States of Telangana and Andhra Pradesh and 38th amongst all the Management Institutions in the Country. As per CSR-GHRDC B-School Survey, the Institute is ranked 7th in India among the top Govt. B-Schools.

IPE Serves Public Sector Enterprises

The Institute has been conducting research, consultancy, and training programs for the past 50 years for state and central governments organizations. It has conducted nearly 100 programmes for over 1600 officers of IAS, IFS and other allied services. IPE has also conducted over 900 MDPs for nearly 40,000 practicing managers and number of consultancy projects for Public sector companies.

Academic Excellence at IPE

IPE's strength lies in its diverse faculty traits and experience of nearly five decades of training public and private sector executives. We are glad to inform you that we offer five industry oriented 2-year full-time PGP courses namely PGDM, PGDM-RM, PGDM-BIF, PGDM-IB and PGDM-HRM. All our PGP Courses are AICTE approved and four of them are considered equivalent to MBA by the Association of Indian Universities [AIU], while three of them have received NBA Accreditation also. The Institute received the prestigious South Asian Quality Assurance System (SAQS) accreditation and is one among the very few Institutions in the country to receive this distinction. The new campus of IPE at Shamirpet has State-of-the-art classrooms equipped with latest Audio-Visual, computing and real time data streaming facilities that will provide an exciting and enriching experience to the students.

The students of 2017-2019 batch, after a vigorous academic and practical training spread over 2 years, will be graduating in April, 2019. The Institute invites you or your representative to visit our Campus, and interact with the students to enrich them with the success story of your esteemed organization.

Being an Institute of Public Enterprise, we will provide all requisite facilities to interview the candidates and help you to recruit candidates who can best suit your organizational requirements. A copy of our Placement brochure containing necessary details is attached. Further, our Placement Brochure and profiles of students of the Class of 2019 can also be accessed from our website, www.ipeindia.org we request you to enlist IPE in your campus visit itinerary and eagerly look forward to your visit.

Kindly confirm your date of campus drive at our Institute to block the date and make necessary arrangements for your drive. Please feel free to contact us, for any further information.

Thanking you and looking forward to the pleasure of hearing from you.

Dear Joshy

Greetings from VEDA IIT

We are glad to share with you the recruitment opportunities in our consortium companies.

Please find attached posters on job recruitment for the following positions:

1. Engineer Trainee in VLSI Analog Engineering (Analog Design/Custom Layout Design/Design Characterization)
2. Engineer Trainee in VLSI Digital Engineering (Logic Design/ Physical Design/Std.Cell Design)
3. Engineer Trainee in Embedded System Design & Engineering (Embedded SW Development/ Software Testing/System Engineering)
4. Engineer Trainee in Artificial Intelligence

The following is the tentative schedule:

Recruitment Test : 1st Sep, 2018

Last date to apply with 'valid coupon code' without registration fee : 25th Aug, 2018 **

**VEDA IIT provides valid coupon codes to TPO/HODs of different colleges on request. However the number of coupons will be limited based on the seating capacity available at exam center. Application submission can be closed earlier than 25th Aug, 2018 , i.e., whenever the number of applicants reach the actual seating capacity at the exam center.

Last date for application without coupon code : 27th Aug, 2018 *

*Application submission can be closed earlier than 27th Aug, 2018 , i.e. whenever the number of applicants reach the actual seating capacity at the exam center.

The current recruitment drive will be very useful typically for

- Electronics specialization students for VLSI/Embedded domains and
- Computer science/IT specialization students for Artificial Intelligence domain

All students who have completed B.E./B.Tech as well as those who are in the final year B.E./B.Tech with 70% (equivalent CGPA as per approved conversion factor) are eligible to apply. Shortlisted students who can undergo full time 6 months training at VEDA IIT during January 2019 to July 2019 shall be taken in January, 2019 batch. Other shortlisted students will be taken in subsequent batches in 2019 with actual schedule to be informed later.

M.Tech, M.Sc., M.Phil., Ph.D.
(Computer Science, Physics)
Principal
Jyothi Engineering College
Cheruthuruthy P.O. - 679 531

Selected meritorious students will get an opportunity to undergo Company sponsored training in one of the core domains:

- VLSI Digital Engineering
- o VLSI Logic Design/ VLSI Physical Design/ VLSI Standard Cell Design
 - VLSI Analog Engineering
- o VLSI Analog Design/ VLSI Custom Layout Design/ VLSI Analog Design Characterization
 - Embedded System Design & Engineering
- o Embedded SW Development / SW Testing/ System Engineering
 - Artificial Intelligence
- o Machine Learning/ Deep Learning

Note: Stipend will not be paid during training.

Upon successful completion of the sponsored training at VEDA IIT and completion of their degree in the respective University, candidates get into employment in our consortium companies.

Posters may kindly be uploaded in your college website under placement opportunities.

If you are having trouble reading this email, read the online version.

Dear Prof. Joshi,

Hope you are doing great. Abhinav Bindra, the Gold Medal winner and shooter par excellence said "Practice is a talent. Perseverance is a talent. Hard work is a talent". With the world's largest sporting event happening in Rio, we all should observe and learn from the greatest sportsmen in the world about these qualities which the ace shooter talks about. Let me share with you a few stories of perseverance and hard work at Infosys.

At Infosys campuses across India, with sustained efforts of over a period of about eight years, we have been able to bring down the per capita water consumption by 41 per cent. Water conservation not only enables water access to poor, but given the close link between water and economy, it will lead to a sustainable economic growth.

We have developed a module, which facilitates instant feedback for employees. This will enable employees to seek and provide feedback from peers and other stakeholders involved in their work. The idea behind this initiative is to facilitate an open and collaborative working environment. A mobile app for the same is also in the offing.

Infosys Science Foundation (ISF), which was founded in the year 2009 with a mission of spreading the culture of science and research continue to devise innovative methods that instil interest in the field of pure sciences among the student community. ISF, in association with the Agastya International Foundation and the Karnataka government, has begun Gnanadeep - a teachers' training program that is focused on bringing in a constructivist approach in hands-on training for educators. In this, we provide teachers with tools and methodologies to explain concepts innovatively, encourage curiosity and promote experiential learning in classrooms.

We declared the results for first quarter, which ended on June 30, 2016 and witnessed good revenue growth from new services based on automation and innovation. Skava, our platform for mobile websites,

apps and other digital shopping experiences for large retail customers, and the Edge series of innovative cloud-based software applications for enterprises, have both done well. Infosys Mana, our artificial intelligence (AI) platform, has seen the first successes and we are hopeful about its bright future.

Ovum, the analyst and research firm has positioned Infosys as a leader in Distributed Agile Delivery for ADM Services in its Ovum Decision Matrix (ODM). We lead the 'Market Impact' dimension with acknowledgment of the sales, consulting and delivery arms functioning as a well-oiled machine, providing seamless, high-quality experiences across the client portfolio. We are listed as a Leader in the Capability Matrix as well.

Dear Mr. Dijin,

We have planned for 5 exam halls (1 Auditorium, 2 Drawing Halls and 2 Classrooms) to accommodate the 568 candidates.

We are planning for 8 invigilators (4 for the auditorium and 1 each in the remaining halls). Please note we couldn't get all the exam halls on the same floor. However, we have ensured the 5 exam halls can be easily maneuvered and supervised effectively by your officials.

Hope this helps.

Dear Mr. Anand/Dijin,

Please find attached the revised seating plan. This is based on the inputs from Mr. Anand.

In a nutshell, we have done our best to ensure candidates of similar branches are seated together. We have also increased the hall count to six (from the earlier count of five). Also, we have ensured that five halls are located on the same floor.

We will be glad to hear your inputs. Additionally, if there are any other requirements (like rough sheets, stapler etc) that we need to be prepared for, please do let us know.

Thanks for your time.

Warm Regards, Prof. Joshy

Subject: TCS Codevita Registration 2016

Dear Jenty sir,

You can share the below mail and the attached PDF with TPOs of all engineering colleges to apprise them on codevita and its registration process

Greetings from TCS Campus Recruitment Team!!!

At the outset, let me take this opportunity to thank you for your continuous association with TCS and looking forward for the same support going forward.

At this juncture, I would like to introduce you to the flagship coding programme of TCS, **Codevita**. Codevita over the years has emerged as a platform where we promote the coding genius from campuses across India and provide them ample opportunities to flourish.

The event has entered its fifth season with more opportunities in the form of provisional offer letters, internship opportunities, additional weightage at the time of TCS hiring apart from some amazing gifts for the students.

To give a snapshot on what Codevita offers, here are some;

- 1) The winner of Codevita gets a cash reward of **10000 USD(6.5 lakhs)** and runner up gets **7000 USD(4.5 lakhs)**
- 2) Internship opportunities for third year students/ provisional offer letters for **3000** students
- 3) The contest is applicable to all branches/ any number of teams can apply for the contest from a college.
- 4) Participation is in Teams (Teams can be inter-disciplinary) and each team shall comprise of 2 (Team lead and a team member)
- 5) The contest is open for **2017 and 2018** Year of Pass-out batches.
- 6) Students with any number of backlogs can sit for the contest.

Sanjana,

This is what I understand from our conversation today.

1. A formal tie up between Jyothi and Career Hopes is required for campus placements. A form needs to be filled in for the same.
2. Payment to Career Hopes will be based on companies visiting and actually recruiting a certain number of students.

As the next step, please send me the following.

1. Form for step 1 above.
2. List of companies that you have tie up with, showing potential salary, kind of industry etc. And the cost to the college for campus placements.

Dear Madam/Sir,

This mail is in continuation to my earlier e-mail regarding Campus selection for Indian Navy. The advertisement was published on **01 Jul 17** to invite applications from final year BE/B.Tech students to join Navy as a Commissioned Officer under **University Entry Scheme (UES)** for courses commencing Jun 2018.

The advertisement can be seen in all national leading Newspaper. A copy is attached for information. The same is also available on WWW.joinindiannavy.gov.in.

The students who will be going to seventh semester are eligible. They can go through the pre-requisite criteria before logging on to the site "Joinindiannavy" and register themselves. The last date for registration is **31 Jul 2017**.

The campus selection/interview will be scheduled between Aug and Nov 17, based on the number of candidates registered on the navy site. The College campus venue will be scheduled depending upon the maximum registration of students from that particular college.

Last year 37 candidates out of 104 got selected from southern states. The candidates will be joining the naval academy in July 2017. The list is attached for information.

Further, detailed information on selection procedure to get Commission in the Indian Navy is also available on website www.joinindiannavy.gov.in

Dear Sir / Madam;

With reference to my previous previous e-mail regarding the TCS **Talent Acquisition Team visit**, Dr. John Joseph - Head Talent Acquisition - Kerala and Ms. Priyatharsini Ramasamy (Team member- campus recruitment), visited our campus on **27th June 2017** and interacted with our final year students about the latest recruitment trends and gamification in recruitment.

They also gave a brief idea to the students, about various contests and programs hosted by TCS, and also the the worldwide networking platform for the students, **TCS Campus commune**.

290 students from various branches (**S7 only**) have successfully registered to Campus campus commune and also for the PAN India coding contest organised by TCS i.e, '**Codevita**' which is will take place on the 21st and 22nd of July 2017.

Please find the attachments for a few pictures from the event and also the list of students who have registered.

Warm Regards;

Bibin Joy

of the biggest national level coding contests organised by TCS which will take place in the last week of July. Please refer to the the attachments to know more about *Codevita* and *Campus commune*.

As informed, the process will be carried out in batches (8 batches) at the computer center in the following order .

- 1)CSE
- 2)ME
- 3)ECE
- 4)EEE
- 5)CE

The department placement coordinator/PAT team member will come to the respective departments, and will take the students to the lab accordingly.

Requesting you to give the necessary instructions to the respective class tutors to permit the students.

Respected Father;

Please find the below mail from Dr. John Joseph ,Head Talent Acquisition (Kerala), Tata Consultancy Services, regarding '**TCS campus commune**' and various programs conducted by TCS.

TCS conducts different events,contests and off campus placement drives for the B.Tech students every year, regardless of branches/specialisations.

To take part in any event conducted by TCS , the student should first register in their campus portal (<https://nextstep.tcs.com/campus/#/>) and obtain a '**DT: ID**' and **password**.

Since we are looking forward to establish an association with TCS and explore the chances of getting their accreditation for campus placements this year, it can create a very good impression if we can make all our final year students to register with their **nextstep** portal.

A team member from TCS talent acquisition team , **Ms. Priyatharsini Ramasamy** , has agreed to visit the campus on **Tuesday, 27th June 2017** to help us with the registrations.

The process will take 30 mins. max which will include a 10 minute introductory talk. We would like to carryout the process in batches(8 batches) at the computer center.

Requesting you to issue the necessary approval if found satisfactory.

Dear Sir,

Warm Greetings from Tata Consultancy Services !!!

I am sure you must have heard about the **TCS Campus Commune** online portal (<https://campuscommune.tcs.com>) which connects more than a Million students and help them to achieve the skills which make them Industry ready. In addition to being a learning and networking platform, TCS also conducts several **contests** through this portal resulting in lucrative prize money in addition to Job offers and internships.

This is in line with the changes in the recruitment methodology, which is transforming from the traditional recruitment methods to **gamified talent spotting** model and these contests are supporting TCS in a big way to identify campus talents irrespective of the location and institutes. Every year TCS conducts four main contests namely, CodeVita (Coding Contest), Testimony (Software Testing Contest), EnginX (Engineering Modelling Contest) and Hackquest (Ethical Hacking Contest). Out of these, **CodeVita** which is open for all the students irrespective of the Year of Pass, branch, institute is the largest contest, with 2.6 Lakhs registrations during the 2016 version. Apart from a total prize money of 20,000 USD, top performers has a chance to get Job offers and Internships.

TCS has made close to 2500 offers across India through these contests and the share from Kerala colleges was just about 100. Request your support, so that more students from your institute register and participate in these contests.

Registration for **CodeVita** will end by **June 30th** and the first round for the Kerala colleges will be on **July 21-22, 2017**. Attaching a presentation and Code Vita contest note for your reference. We would be happy to answer any queries you may have.

With Best Regards

Subject: VEDA IIT Recruitment drive - Test on 28th Oct 2017

Greetings from VEDA IIT

We are glad to share with you the recruitment opportunities in our consortium companies.

Please find attached the poster on job recruitment for the following positions:

1. Engineer trainee in VLSI Analog Engineering (Analog Design/Custom Layout Design)
2. Engineer trainee in VLSI Digital Engineering (Logic Design/ Physical Design/Std.Cell Design)
3. Engineer trainee in Embedded System Design & Engineering (Embedded SW Development/ Software Testing/System Engineering)

The following is the tentative schedule:

Recruitment Test: 28th Oct, 2017

****VEDA IIT provides valid coupon codes to TPO/HODs of different colleges on request. However the number of coupons will be limited based on the seating capacity available at exam center. Application submission can be closed earlier than 18th Oct, 2017, i.e., whenever the number of applicants reach the actual seating capacity at the exam center.**

Last date for application without coupon code : 24th Oct, 2017*

* Application submission can be closed earlier than 24th Oct, 2017, i.e. whenever the number of applicants reach the actual seating capacity at the exam center.

The current recruitment drive will be very useful for all Electronics specialization students who are in the final year B.E/B.Tech with 70% (equivalent CGPA as per approved conversion factor) as they can simultaneously complete both 6 months company sponsored full-time training program and their project. It will also be useful for the second year of ME/M.Tech/MS with 70% (equivalent CGPA as per approved conversion factor) as successful candidates can avail company sponsored one-year full time Internship.

Selected meritorious students will get an opportunity to undergo Company sponsored training in one of the core domains: VLSI Analog Design/VLSI Custom Layout Design/VLSI Logic Design/ VLSI Physical Design/ VLSI Standard Cell Design /Embedded System Design/ SW Testing/ System Engineering and get into employment in our consortium companies subject to successful completion of their sponsored training at VEDA IIT and completion of their degree in the respective University.

Poster may kindly be uploaded in your college website under placement opportunities.

VEDA IIT is an industry driven state-of-the-art training institute of excellence in various fields of VLSI and Embedded Systems Design. **Since its inception almost 20 years back, more than 105 batches (Corporate training and MS Program) have undergone training at this world class institute and have moved on to chart out praiseworthy careers in this domain in India and Abroad.** VEDA is associated with a consortium of VLSI Design Houses that offer employment to the candidates and sponsor them for job ready training. The consortium participates in designing and structuring the curricula and also in imparting Live Industry Oriented Training on contemporary VLSI Design. Our curriculum is set in such a manner that the students get more hands on experience in their chosen field. VEDA also offers a unique 2 year MS program in VLSI engineering with a multitude of Industry relevant courses, and has created an enviable track record of near 100% placements for all its batches. VEDA IIT is managed by Professionals of proven track record having long standing association with India's Top class Universities and some of the most prominent companies in the semiconductor domain.

Hi Arun,

Thank you for your patience. Please find attached the first draft of eligible students (6 CGPA/ 60 % and above across Engg, XII and X).

There are still some errors like no last name, no accurate X std marks (inspite of it being above 60!) and no mobile number!!

I have followed up again and am confident of getting this by tomorrow.

Hopefully, you can accept my tomorrow's final version. If you have any glaring misses or review comments, please let me know. I can incorporate those changes as well.

Thanks, Joshy

Dear Sir / Ma'am,

Greetings from TCS !!!

Happy to inform you that TCS has launched three contest in place which will help students grab an internship / Offer letter well before TCS Campus / Off Campus Recruitment .

Request you to please pass this information across to students / student ambassadors who can effectively take this message across to all the branches / batches.

Last year around 34 students from Kerala won TCS offer letters irrespective of the backlogs they had solely by the effort they put in for the contest . Contest Hiring is considered of high value as the students are competing all India and the extra mile the student runs is what gets him an internship / Offer letter with TCS.

Highlights of the Contest are as below :

=====

EngiNX 2016 (an IoT Challenge) registration will close by May 16th 2016 .
Number of students to form a Team : 4 (One team lead + 3 team members)
Date of Round 1 : May 18th 2016
How to Register : Refer document attached along

=====

Testimony 2016 registration will close on June 22nd 2016
Number of students to form a team : 2 (One team lead + 1 team member)
Date of Round 1: Jun 27th 2016
How to Register : Refer document attached along

=====

Codevita 2016 registration will close on July 26th 2016
Number of students to form a team : 2 (One team lead + 1 team member)
Date of Round 1 : July 29th 2016

Greetings from UST Global! We are glad to invite Jyothi Engineering College to the pooled drive planned in FISAT, Angamaly on **20th October**. Once you send the data, Sujith in cc will send you logins and further details a few days before the drive.

Please find the eligibility criteria for the students to appear for our process:

- 1) Students graduating in 2016 batch only.
- 2) B. Tech – All branches
- 3) 7 CGPA in B.Tech. (aggregate till now) and 70% and above in 10th & 12th.
- 4) Maximum 1 back paper

Our recruitment is a 3 step process: Online Aptitude test, group discussion and personal interview.

The test includes English, logical Reasoning, Quantitative aptitude & Computer Fundamentals

Please send back the attached form with the candidate data.

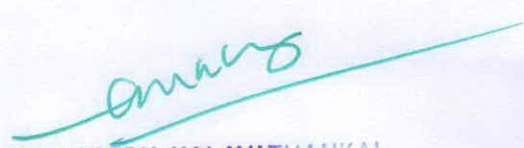

Looking forward to hearing from you soon and hope to have a mutually beneficial and fruitful relationship.

Thanks & Regards,

Dear Ms Rekha,

Thank you so much for your email and also for your time on the phone. Sincerely appreciate it.

Per your directions, I will revert after discussing with the core company who plan to visit around the same time.

I regret the inconvenience caused based on the lack of communication in the past from Jyothi Engineering College whenever changes happen at the Placement office. Please note that the email id pat@jeccthrissur.org is no longer valid and is not monitored.

Going forward, please feel free to reach out to me @ +91.95268.14455. I will continue to monitor the **generic PAT office email id** (pat@jecc.ac.in). Alternatively, you could also leverage my official email id (joshy@jecc.ac.in) copied on this email.

I learn from the past records that UST has been an active Campus Partner with Jyothi Engineering College. We would be glad to offer our college's infrastructure, as in the past, for any exclusive or pooled drives you might plan later for colleges in Palakkad, Shoranur and Thrissur regions.

Additionally, I also want to highlight that a Java CoE (Center of Excellence) is being planned at Jyothi. Online academy based learning and work experience on production projects is what we are targeting for our CS and IT students.

Thanks once again and yes, I am amazed at your ability to recall me from the numerous people you met during the CTIPS meeting.

Warm Regards, Joshy

Jyothi Engineering College Mail - UST Global: pooled recruitment drive in FISAT, Angamaly- 20th October, 2015

I did discuss with the core company from Oman that is visiting us and they are expected to land on Oct 19, 2015 with interviews scheduled for Oct 20 and 21. This is based on the SLA for obtaining their passports post the visa process. Considering this, it will be difficult for students to attend the pooled drive at FISAT on Oct 20, 2015. However, I will definitely send across details of students who might want to attend the UST pool drive.

Additionally, you might know that Sahardya, Jyothi and Nehru group of institutions have Infosys visiting on Oct 26, 27, 28, 29, 30 and 31 (2 days apiece). Considering that, I think the acceptance/conversion ratio will increase if we have a UST Global pool drive during the first week of Nov'15 instead of last week of Oct at SCMS. This will also ensure a better conversion ratio and reduced no-shows for the efforts put in by the HR team of UST. Moreover, there are other colleges like Sreepathy Institute of Management and Technology etc from Thrissur who would also like to join the pooled drives for colleges in Thrissur area. This will ensure we get a good critical mass to pick good talent.

My intention was to ensure UST Global gets the best possible talent with maximum conversion/acceptance ratio and hence the above suggestions. Please do ignore if found irrelevant. I am sure you know the lay of the land better than me.

Thanks for your time.

Dear Arun,

We have a request from UST HR to attend a pooled off-campus drive on Oct 20, 2015. This is before Infosys visiting our campus on Oct 28 and 29, 2015.

Per the recent direction/conversations with you, I trust we need to skip this opportunity.

If there is a provision for the students to attend this, please do let me know as students are eager from their side. The reason for this email is to ensure we uphold our commitment with Infosys.

Thanks, Prof. Joshy

Dear Ms. Rekha,

We connected last evening. Thanks for your call and text message.

As mentioned, Infosys is visiting our college on 28th and 29th of Oct, 2015. If the SCMS drive is on **Oct 30th**, it will be perfect. I cannot ask for more. This will also ensure greater participation from all CGPA 7 and above students. Please note that while Infy might be a bigger brand outside Kerala, students from Jyothi find UST Global attractive because of the choice of locations within Kerala.

I appreciate all your efforts to include students from Jyothi for the UST drive. Thanks for being a stellar campus partner.

Dear Arun,

We have communicated our inability to send students for the UST Pooled drive to the UST HR (Campus Recruitment - Head). We hope to have a good drive by Infosys at our campus.

Students have a question for which I need your inputs: UST cutoff is CGPA 7 & above with maximum of 1 backlog. Infosys policy does not allow any backlog. In such cases, where students are not eligible for Infosys (because of their backlog) but are eligible for UST (CGPA ≥ 7 with 1 backlog), can these students be sent to the pooled drive at UST ?

I know I am bombarding you with multiple emails. Most of these questions are student driven and hence please bear with me. I would want to ensure we honor all of our commitment to Infosys and hence these explicit questions to give students the authentic answers.

Thanks for your time and response.

Warm Regards, Prof. Joshy

Dear Shivi,

Thank you for your email. Appreciate it.

I guess, you tried reaching me on my mobile a short while ago. I was driving and hence couldn't pick up the call. Upon returning the call, I reached the reception/board number of SLK Software, who couldn't help me.

It is a holiday here on account of Ramzan. I will revert to you by mid of next week. Is there any joining date/time and/or reporting location that you want me to share with the students ? Please advise.

Thanks, Prof. Joshy

Dear Mr. Abbas,

Please find attached the updated interview schedule that was leveraged for the interview process. Two students who did not attend the interviews have a strike-through to ensure *integrity of the serial numbers*.

In total, 46 students were interviewed. Day 1 saw 21 interviews and Day 2 witnessed 25 interviews.

The zip files of the resumes are based on the Day 1 and Day 2 schedule. There are two students who could not provide the photos. For now, I have included a resume sans the photo for these two students only. I will send the updated ones as soon as I get them. Didn't want these two aberrations to stall the results which the students are eagerly awaiting.

Publishing the selected list of students alongside the wait-listed students will be the next logical step. Offer letters can follow and can take some more time, as is the process with other companies that recruit students.

Hope the attached files help. If there are any questions, please do let me know.

Thanks, Prof. Joshy
